SEPTEMBRE 2020 EARLY HEAD START <mark>6-12 MONTHS</mark> FAMILY ENGAGEMENT HOME

PROJECT

Child's Name:

Site: _____ Class #:_____

Teacher's Signature:

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday	Total Semanal
		 Roll a soft ball across the floor and encourage the baby to crawl after it. You can also do a ball out of recycle paper. 	 Give a baby a variety of objects they can play with independently. Have a container ready where they can place the objects in/out a container. 	3. When baby is doing Tummy Time, encourage pushups. Raising and lowering a rattle very slowly the baby's head will encourage them to lift their head and push.		5.Practice new gestures with baby like blowing kisses, clapping hands, or giving a high five.	
		20 min	20 min	20 min	20 min	NO Time ALLOWED	
6. Respond to baby's sounds and encourage two-way communication.	7. Water Sensory Bag add ¼ cup of water,1/4 cup of oil and add some food coloring tape all sides of corner using duct tape. Seal the bag. Tape the bag to a low spot on the wall.	8. Try and encourage baby to crawl over, under, and through various objects at home. Take empty boxes, remove tops and bottoms, and tape them to make a long tunnel. Decorate the boxes and take photos	9. Ask baby to point to point to different body parts when you name them.	10. As you are doing your daily home chores, named textures, shapes, and sizes, to help baby attach words to tactile experiences.	11. Baby Sit Ups: While baby is on their back, slowly draw a toy away from her to encourage to sit up to look at it.	12. Play with stackable blocks. Describe sizes, colors, and pattern. If you don't have blocks, use empty boxes, plastic containers, etc	
NO TIME ALLOWED	30 min	1hr	20 min	20 min	20 min	20 min	
13. Practice waving bye-bye and saying the word when a guest leaves your home.	14. Allow baby to grab and explore items within reach by giving them space to explore the environment. Always make sure it is safe for the baby	15. Get baby to stack toys, such as blocks or rings, and describe each toy as the baby picks it up.	16. Give baby toys in left and right hands so they can practice throwing and grasping with both hands.	17. Sit on the floor a few feet from your child and demonstrate how to roll a large ball. Encourage the child to roll it back and forth and make a game out of it.	18. Use a variety of facial expressions while you talk. Ex: Show baby your tongue, smile, mad face, etc.	19. Take baby on a walk in a stroller or ogger. Talk about the sounds and what you both see.

20. Sing a song that involve body movements and name body parts as you model for child.	21. Place cheerios in a plastic container and encourage baby to pick them up with thumbs and fingers and place them in an empty container.	22. Lift baby up and down and play in different positions to help develop their sense of movement and balance.	23. Play with a pretend phone; talk into phone as you would a regular call, then offer it to baby to do the same.	24. Spray a little whip cream on table or high chair and let the child explore making circles. Discuss with baby how it feels and take a picture and hang in the house on the wall somewhere.	25. Play with stackable blocks. Describe colors. Sizes. And patterns. Observe to see how many blocks are stacked.	26. Sing the Good Morning Song by Greg and Steve or any song that you know. Model for the baby and clap your hands. Watch the baby to see if the baby can follow you.	
NO TIME ALLOWED	20 min	NO TIME ALLOWED	NO TIME ALLOWED	30 min.	20 min	NO TIME ALLOWED	
27. Ask baby questions and encourage response with words, baby sounds, cooing, or babbling. Record the conversation and play it back for baby to hear.	28. Punch holes on a lid of an empty container/box add objects to the empty container and shake. Then give it to baby to do. Observe what baby does and document the observation on the teacher's form	29. Use a toy and encourage baby to crawl when they are in a Tummy Time position.	30. Have baby explore a bin with sensory objects for baby to touch and explore Observe baby's facial expressions and ask questions.
